Moultonborough, in Strafford County, lies on the N. extremity of Winnipiscogee Lake. It was incorporated in 1777, and its population in 1810 was 994 souls; bounded N. by Sandwich and Tamworth, N. E. by a part of Ossipee, S. E. by Tuftonborough, and W. by Centre Harbor and Squam Pond, containing 32,163 acres.

This place derived its name from Gen. Jonathan Moulton of Hampton, who was one of its earliest and largest proprietors, and New Hampton, which was taken from it, was also named at his request after the place of his residence.

Moultonborough lies near the S. W. side of the Great Ossipee Mountain, and it is observed, that in N. E. storms the wind passes over the

mountain like water over a dam, and with such force, as frequently to unroof houses.

The Rev. S. Perley was settled here in 1778, and removed the next year. His successor the Rev. J. Shaw is still in office. There is here a pleasant village of 10 or 12 dwelling houses, a meeting house, one store, four grain mills, five saw mills, two clothing mills and a carding-machine. Red Hill is in the N. W. part of the Town, and the Red Hill River passes through its northerly part and falls into Winnipiscogee Lake.

The spotted fever prevailed here in 1813. It attacked some hundreds but carried off only 30 persons. Bears were formerly common in this town as in many other new settlements. In the autumn they frequently came down into the populous settlements and sometimes even to the maritime towns. It frequently devours young swine, but seldom attacks mankind.

Quote from same source:

“Gambling is a vice unknown in New Hampshire, except among that worthless few who are either unable, or unwilling to follow the pursuits of honest industry. The gamester, the jockey, and the knave are objects of detestation and neglect among all whose objects is to sustain an honourable character.”

Auditor's Report

1974

To the Board of Selectmen of the Town of Moultonboro, New Hampshire:

In accordance with your request, we have performed an examination and audit of the financial affairs of the Town of Moultonboro (exclusive of the Moultonboro School District) for the calendar year 1974. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such audit procedures as we considered necessary under the circumstances.

In our opinion the statement of current working assets and liabilities as reflected in the annual report of the Town of Moultonboro, as at December 31, 1974, (exclusive of the Moultonboro School District) and the statement of receipts and disbursements of the Town of Moultonboro (exclusive of the Moultonboro School District), and the results of budget operations for the year 1974, present fairly the financial position as at December 31, 1974, and the results of budgetary operations for the year then ended in conformity with generally accepted accounting principles, applicable to governmental operations in New Hampshire, applied on a basis consistent with that of the prior year.

Respectfully submitted,

Librarian's Report

The year 1974 has been a rewarding year for those who work in the Moultonboro Library. Mrs. Evelyn Brown has been on a salary basis this year, and it has been an invaluable aid. There are many who have been doing volunteer work and it is greatly appreciated.

Although there is no longer a branch of the Moultonboro Library at the Moultonboro Central School, Mrs. Isabelle Behr and Mrs. Marguerite Gruner have been helping when requested. They, along with Mrs. Betty Rathman, were in attendance until June 1974.

I find that many residents enjoyed having the memorials and donors listed. The 1974 list as follows: Clara Perkins, Moultonboro Woman's Club; Alfreda Lamprey, Loring R. Litchfield and Mr. and Mrs. Robert Lamprey; George Judge, Jr., the Judge Family; Dwight Comstock, John R. Taylor; Mildred Allen Colby, Mr. and Mrs. Leonard Plaisted and the Plaisted grandchildren; Eunice K. Ward, Mr. and Mrs. Frank Nedeau, Mr. and Mrs. John Colarusso, Mabel Potter, Bernardine Flynn, George Guyette; M. Roy Foss, the Moultonboro Fire Department; Leon J. Sturtevant, Moultonboro Historical Society; Elizabeth C. Wilkin, Col. Hugh Wilkin; Raymond Hatch, Mr. and Mrs. Leonard Smart, Mr. and Mrs. Ronald Davis; M. Jennings von der Hyde, his neighbors on Shaker Jerry Road; Mr. and Mrs. Philip Benson, Edward Rooney, their grandson; Annetta Godden, Martha Oliver; Eugene Sturtevant, Jessie Converse, his daughter; H. Frank Smith, Jr., Mr. and Mrs. William Blackadar; Georgia Hanson, W.S.C.S.; Alice A. Kimball, Parker S. Kimball; D. Earle Beede, Mr. and Mrs. Harold H. Munroe; June Visser, Mr. and Mrs. Donald Maynard.

A permanent trust fund has been established in memory of June F. Visser and the interest will be available for the future purchase of books. The Martha H. French Fund and the Steven W. Martin Fund have already been established. The Shaker Jerry Road neighbors of M. Jennings von der Hyde made a very substantial donation for books in his memory. This is a fine way to honor friends and relatives.

The library is fortunate to have many friends who donate books. This past year the number of books, donated and accessioned, totaled 415 and the retail value would have been over \$2,500.00. Many of these donations are current publications and these are especially welcomed.

This summer Mrs. Nancy Bruens again held story hours for the younger children and the youngsters attending them enjoyed them immensely.

The library has joined the Bearcamp Library Association, composed of the libraries of neighboring towns. Meetings are held quarterly and common problems are discussed and programs planned.

This past year a 16mm projector has been available through the generosity of various organizations, mainly the Woman's Club of

Moultonboro. Films have been borrowed from the State Library and programs may be planned and films borrowed by notifying the librarian.

More and more summer residents are making use of the library and are delighted to discover that the town has such fine facilities. They are invited to use the library whenever in town and many are making use during all of the seasons.

The library statistics are as follows:

Moultonboro Visiting Nurse Service

Report of Board of Directors

Annual Report - 1974

The Moultonboro Visiting Nurse Service once more proved to be one of the most valuable services in our town this past year. The total of patient visits increasing from 602 in 1973 to 795 visits in 1974. The service has been in existence for 3 years now, after being approved by the town at the March, 1971 town meeting. We are pleased that our cost per visit went down again this year to an average of \$5.56 per visit which is about one-half of the National Average cost.

We still maintain the Visiting Nurse Service as a half-time organization, Monday thru Friday 8 - 12 noon and have met all emergency requests. We are pleased to be fortunate enough to still have our original fine staff.

Mrs. Marguerite King, R. N. Visiting Nurse

Mrs. Annalise Schroeder, R. N. Replacement Visiting Nurse.

Mrs. Rosa Edwards, Clerk.

The Moultonboro Visiting Nurse Service Board of Directors is elected by a committee consisting of one member of the Board and the Selectmen of the town. The following names made up the board of directors for this past year:

Mrs. Rae Marie Davis, Chairman

Mrs. Ethel Pace, Secretary

Mrs. Doris Citron, Treasurer

Dr. Alexander Ratsep, Medical Advisor

Mrs. Dorothy Davis

Mrs. Dorothy Nickerson

Mrs. Gertrude Stockbower

Mrs. Shirley Rollins

Mrs. Marilyn Straka, School Nurse

Mrs. Paula Smart

Mr. Harold Martin, Selectman

Mr. Martin Clifford, Selectman

Mr. William Blackadar, Selectman

Special thanks to our townspeople and organizations for their interest. We have been able to increase our equipment by the gift of a lovely wheel chair given by the Moultonboro Snomobile Club and a new doctors' office type scale was purchased through our yearly budget.

With our increased daily calls and many more referrals each month we are very busy at this time and feel inspired by the needs of the community for this service. We will at times during the next year, probably have to call on our replacement nurse to help out along with our regular

nurse during the mornings, but although we plan to increase to a full time service in the future as our town increases, we will work hard to meet all requests and to be of service whenever needed by still maintaining our morning schedule.

We thank our townspeople for their continued interest and appreciate all the help that has been given to us. We are run by the community and for the community and any person that would like to know more about our service, please feel free to call and talk to our nurse or any member of our Board.

Respectfully submitted,
(Mrs. Rae Marie Davis, Chairman

Moultonboro Visiting Nurse Service

Report of the Visiting Nurse

Annual Report 1974

We are now in our fourth year of nursing service to the town of Moultonboro. Our hours are 8:00 a.m. - 12:00 noon daily. We are still on a part time basis although physician referrals continue to increase. The Service had 795 house and office visits, in addition to many consultations; conferences with various doctors, nurses and social workers; and other agencies in the county and State.

Many of our older citizens have been helped and continue to be helped by being able to stay in their own homes. We have been assisting families in finding nursing homes and hospitals when more extensive care is required.

The nursing service will conduct an immunization clinic in the spring of 1975, if there is sufficient need. The nurses of the Service have attended programs of continuing education for nurses and nursing practices. They have also attended conferences and meetings regarding services available to the towns people.

At this time I would like to thank all cooperating physicians, as well as the Board of Directors and medical advisory board of the nursing service for their continued help and assistance. We appreciate the contributions of medical supplies from the Lions Club, Red Cross and Moultonboro Snomobile Club.

We also gratefully thank unmentioned individuals whose continued help to make our nursing service successful is much appreciated.

Respectfully submitted,
(Mrs.) Marguerite T. King, R. N.

Summer Recreation Report

For the second year, in as many years, the recreation program was planned to cover an eight week period beginning the last week of June and ending the week of August 12th

An attempt was made to provide for the varied interests of the children so that all would be involved in activities that were both challenging and motivating. To a large degree we were successful in this. In addition to the "favorites" of the 1973 summer program bicycling, obstacle courses, and running events were added. As a result, more children were participants in more activities more often than in the previous year. The average number of children on any given day was between 20 and 25 with no real decrease in numbers as we had experienced in the past.

Assisting with the non-swimming program this year was Holly Cook from Sandwich. Her enthusiasm for bicycling did much to attract a good sized group of children. Generally, bicycle trips were planned for twice weekly, once each with a group of older and younger children. Even parents (as well as myself) could often be seen "puffing" up many of Moultonboro's hills.

On a rainy day in late July we took the Mount Washington's trip around Winnepesaukee. Although the weather left much to be desired spirits were not dampened and a good time was had by all. In addition, the annual trips up Red Hill and to White Lake State Park proved quite successful. The kids had a ball!

Miss Janice Mattson and Miss Randy Roth served very capably as swimming instructors at States Landing and Long Island beaches respectively. The girls worked very conscientiously to provide a fair and sound program for all their students. In all a total of 115 students participated in the levels - Beginners, Advanced Beginners, Intermediates, Swimmers, Junior Life Saving and Senior Life Saving. Although a number of children were not able to "pass" all the necessary skills to achieve a certificate for their swimming level much was achieved by all.

Finally, a word for the remainder of those who participated in and supported our efforts. As usual, Joel White was of great assistance in planning and following thru with the playground and swimming programs. To the parents who transported their children and other children to the school and beaches so that a successful program could be run, I give my thanks. Without you we would not have been successful.

And to the Selectmen of Moultonboro, I am also indebted. Your support for recreation is an important aspect of Moultonboro's summer season.

Sincerely,
Vern Taylor

Report of Recreational Committee

It was determined by the Recreation Committee that the land donated by Peter Kraines last year was the best available land for outdoor recreation. A ground level survey map was completed to aid in the planning for the land use.

The committee feels that 4 tennis courts and a basketball court with lights, a playground, a ballfield and 2 skating rinks would be a feasible project for Moultonboro. The office of RC&D will aid in the ground drainage and leveling planning. The office of DRED feels certain that 50 percent reimbursement funds would be available for a project of this type.

The total cost of this project is estimated in the area of \$97,000.00. Done over a two year period and using all the resources available to the Town for recreation purposes, the amount raised by property taxes could be approximately \$25,000.00.

This plan for outdoor recreation is ambitious, but when completed would be used to the fullest extent and would be a great asset to our Town.

TOTAL COST \$97,000.00

1975 Proposed to be Raised by Town Meeting	\$25,000.00
DRED	25,000.00
1976 Proposed to be taken from Revenue Sharing	23,500.00

The N.H. Police Standard and Training Council offers a number of training classes at no cost to the town. Your Police Officers have attended

courses in finger printing, criminal investigation, drugs, and accident investigation. A thirty hour first aid course sponsored by your Fire Department was attended also. A total of 29 days of training classes were attended by the regular officers as well as a night course for special police officers attended by John Anderson. Additional classes concerning court prosecution and drugs will be attended when the opportunity arises. The classes attended so far have proved interesting and beneficial and have enabled your officers to better perform their duties.

The new Plymouth delivered in June has worked out well. Due to cost of maintenance and dependability it is suggested that the town replace it s cruisers at least every three years rather than attempting to squeeze out a fourth year of use.

Cooperation between other law enforcement agencies has been excellent and is greatly appreciated by your officers. This cooperation has resulted in all agencies being more effective.

I wish to thank the citizens for promptly reporting suspicious activity to us. This has led to the apprehension and conviction of many wrong doers. With continued public cooperation and in-service training for your officers we hope to serve the community better.

Leonard M. Smart

Report of the Forest Fire Warden and District Chief

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

1974 Forest Fire Statistics
